Important Notice Regarding Fraudulent Emails

If you have received an email that appears to be from me but does not originate from my official email address gleslie@patentable.com, suggesting you take action to preserve your trademark rights, please be advised that this is **not legitimate**. Please ignore and disregard any such messages.

For more information regarding this scam, please refer to the advisory issued by the College of Patent and Trademark Agents.

Garth Leslie assists clients with all aspects of identifying, protecting and benefiting from their intellectual property, with emphasis on preparing and prosecuting patent applications in mechanical-related fields and trademark enforcement.

Garth works with clients ranging from individual inventors to large companies and across a broad range of industries, including construction, consumer products, and industrial equipment and transportation. Garth spends a portion of his time in Trail, British Columbia, and is able to meet with current and prospective clients across the Kootenays.

Before practicing law, Garth worked in the oil and gas industry in roles relating to manufacturing and oil and gas well evaluation. Outside of work, Garth enjoys skiing or mountain biking as the seasons permit, plays trombone in a community band, and has a regular tabletop gaming group.
