Lawrence Chan's practice includes drafting and prosecuting patent, trademark, and industrial design applications. His patent practice focuses on inventions in the mechanical, biotechnological, and software fields. He has helped clients secure intellectual property protection in Canada and around the world. Lawrence also advises clients regarding licensing and other transactions involving intellectual property.

Lawrence is a registered Canadian patent and trademark agent and is also authorized to practice before the United States Patent and Trademark Office.

Lawrence has also assisted clients in various intellectual property litigation matters, including both infringement actions and appeals from administrative tribunals. He has appeared before the Federal Court, the Federal Court of Appeal, and the Supreme Court of British Columbia.

Prior to joining Oyen Wiggs, Lawrence articled and practiced at a boutique intellectual property firm.
