NINA RAJIC

Associate | **B.A.Sc. (Computer Engineering)**

Nina Rajic assists clients with all aspects of identifying, protecting and benefiting from their intellectual property, with a particular emphasis on preparing and prosecuting patent applications in the computer, electrical, physics and mechanical-related fields.

Nina attended the Peter A. Allard School of Law at the University of British Columbia. Prior to law school, Nina obtained a Bachelor of Applied Science in Computer Engineering with Distinction from the University of British Columbia.

In her spare time, Nina enjoys skiing, travelling and watching musicals. She is fluent in Serbian.
